If yes, please elaborate:

Briefly state why you are interested in joining the Desert Fun Bunch:

The DFB encourages members to participate in event administration as well as lure coursing activities, both formal and informal. Formal lure coursing positions include; Field Chairman, Field Secretary, Field Clerk, Huntmaster, Lure Operator, Inspection and Measuring Committee, Paddock Master (view full AKC Lure Coursing Rules including position descriptions at: <http://www.akc.org/pdfs/rulebooks/RELURE.pdf>)

The DFB provides training for formal positions and participation does not interfere with coursing (field officers rotate duties during the event so that they can course their hounds). In addition to formal positions, many informal tasks need to be performed for each successful event. For example, pulling the trailer, setting up and tearing down the course, organizing the concession table, and many other miscellaneous tasks need to be performed for each event. Event administration adds a rewarding dimension to the coursing experience.

Please indicate if you are interested in event administration:
